Having sat out a long, necessary wait, we are pleased to stage another meet. We'd like to invite any and all to join us on "York Thursday" for another gathering of the **TTP&M Group**. We've been getting together since 1994, and continue to attract a diverse array of attendees and interests. In short, if something is **toy train-related but NOT a toy train**, that's us! Historical paper, promotional memorabilia, vintage photography, factory artifacts and the like from many manufacturers and eras are usually represented. Our meetings are extremely informal in nature, and consist primarily of "show-and-tell." Have a favorite piece to share? Need info on something you found? Bring it along -- there's a good chance someone in the crowd can help fill in the gaps. We look forward to seeing you!
